# The model. The essential details.

Model-specific power, dimensions, movement and operating conditions.

| Parameter | Model specification |
|---|---|
| Model | WZPV-SZGZ-X |
| Module nominal power | 650 W |
| Module quantity | 8–16, optional |
| Module code in basic table | WZ-650M-36 |
| Column options | 2.1 m / 2.6 m |
| Azimuth range in basic table | 0–240° |
| Elevation range in basic table | 0–85° |
| Tracking accuracy | ±0.5° |
| Control supply | 220 V AC / 24 V DC, source table |
| Net / packed weight | Approximately 680 / 750 kg |
| Motor source rating | 24 V DC; 91 W; 120 N·m |
| System warranty in source | 1 year; contract governs |

PV ratings are nominal values at STC. Actual output depends on location and operating conditions. Confirm the electrical schedule, dimensions and supplied options in the technical documentation.
